PACK THE BACKPACK!

Our parents are facing the uncertainty of what school will look like for their children, including what supplies they’ll need. Help us prepare now for our students by donating to purchase supplies at ourhouseshelter.org/backpack.

CLIENT HIGHLIGHT: SHERATON

Earlier this year, Sheraton described herself as heading down a negative path, leading to a stay in a correctional facility. Upon her exit, Sheraton’s Uncle encouraged her to come to Our House to pursue classes in the Career Center. Sheraton completed all of her required sessions in the Career Center and officially enrolled in the Young Adult Rock City Reentry Program (a partnership between Our House and the Little Rock Workforce Development Board). Working with her Reentry Case Manager, Sheraton found subsidized employment at Habitat for Humanity’s Restore where she was then hired for a permanent position as a cashier. Sheraton continues to work with her case manager to set goals to save money, enroll in a culinary arts program, and advance in her career with Habitat.
