Community Corner

We hosted a great Tax Preparation Day with Entergy Arkansas & Arkansas Asset Builders to provide low barrier tax resources to our clients & community!

Get Involved

- **Meal Providing:** Become a monthly meal provider this year! We serve three meals a day in our Shelter, and need generous groups to plan, prepare, and serve these meals! Call (501) 374-7383 ext. 184 for info.
- **Men’s Clothing Drive:** We provide closets in both our Career Center and Shelter to make sure our clients have the essentials they need to look their best, so let’s get our men’s closets stocked for Spring! If you have gently used items, call (501) 374-7383 ext. 184 or 132 to arrange a drop off.

Spotlight: Carolyn

Ms. Carolyn lived a difficult life early on—moving through the foster care system for over a decade and relocating to Arkansas from her home state at a formative age. This and other adverse childhood experiences would lead to mental health struggles in adulthood that made it difficult to take on big life changes like securing stable housing and becoming a young, single parent. While Carolyn has worked tirelessly to provide a good life for her now three children, a house fire last year devastated her world. Carolyn’s family found the support they needed by enrolling in Our House’s case management services. Carolyn worked with her case manager to secure new housing, avoid homelessness, and get her family back on the right track. Carolyn has been diligently budgeting and saving, and her children are all excelling in school and sports. Our House was able to help Carolyn secure funding to finally take her licensing exams for Cosmetology, a lifelong dream, and she is now looking forward to the start of a successful career!
