Volunteer
Spend your summer volunteering with Our House! We are looking for regular volunteers that can teach a Career Center class, aid in one of our Bright Beginnings rooms, tutor in Our Club, or provide a monthly meal!

Pack The Backpack
Help us equip 150 kids in our Children’s Programs and Stability Program with all of the school supplies they need for the coming year. Whether you donate, shop on Amazon, or start your own drive, your support is crucial to the success of our Summer Program! Give at ourhouseshelter.org/backpack

Wellness Fair
We had over 20 community partners come out to our Summer Kickoff & Wellness Fair to share their resources with our clients and get the summer started!

Spotlight: Marley
Summer is officially here, and that means our Summer Program is in full swing! Our team is hard at work building transformative relationships with our youth and implementing a summer full of educational lessons, diverse guest speakers, and fun field trips. Marley is one of the many youth spending her summer at Our House. Marley is in the 9th grade and has been a member of our out-of-school time program, Our Club, since she was in middle school. Marley enjoys being able to participate in the fun activities that Our Club provides, like summer field trips, and she thinks that the program is a good opportunity for any young person who wants to be engaged. For Marley, Our Club is a chance for her to interact with her peers outside of a school setting or with those students who do not belong to her school. She describes Our Club as being a positive environment, with AmeriCorps members and Our House staff acting as role models and mentors. Marley says they create a space where “you can be yourself and not try to be anyone you’re not,” and she feels that she can always come to them for help or to talk!

Bright Beginnings
We are excited to announce the renaming of our Child Development Center to Bright Beginnings! Bright Beginnings features the Windgate Early Learning Academy and Marge Schueck Preschool Academy which, together, can serve 130 children with the highest quality of childcare.
